Hans Carlson was a top-ranked junior in Sweden. He received a scholarship to the University of Alabama where he represented them in the NCAA Championship Tournament. Hans played on the ATP Tour for one year. He has trained and coached juniors in Sweden, Denmark, Dallas (Texas), and the Broadmoor before coming to Lynmar in 2009. Hans is a USPTA Level 1 certified tennis professional and has been teaching juniors on all levels for 20 years. Please contact Hans with any questions at 719-598-7075.

The Junior Tennis Camps will emphasize learning correct tennis techniques, strategy for match play, physical workouts, and fun games. All work outs are geared for juniors to improve their game and at the same time have fun on the court. An evaluation will be done at the start of each session to determine the groups based on skill level. Levels include Beginner, Advanced Beginner, Intermediate, and Tournament. The Junior Tennis Camps are for boys and girls ages 9-16 years old.

The fee for the Junior Tennis Camp must accompany your registration in order to reserve a space. Coach Hans will contact each participant the week before the session begins to confirm your registration.

Please arrange for juniors to be picked up promptly at 12:00 noon and/or 4:00 pm. Lynmar cannot be responsible for juniors after the scheduled session ends.
